DIVIDED LIGHT

MAKE A STATEMENT

Your front door makes the first impression to guests invited in to your home or office. Why not show them the best with one of our castle entry doors?

Our doors are hand-crafted to fit your style, using only the finest premium materials built to stand the test of time. You will experience a fully customized process that begins with choosing from a wide variety of styles and colors.

Our castle entry doors will upgrade your property's look while providing a stellar first impression.

ABOUT CLASSIC IRON WORKS

For decades, we at Classic Iron Works have been Your Door Store, providing stylish and elegant entry doors, windows, handrails, fences, gates, and other home products.

Whether you are building a new home or business, remodeling an existing structure, or looking to upgrade your security features, let us help you make a classy, cost-efficient choice customized to fit your exact needs.

We serve the entire Birmingham metro area and offer FREE in-home estimates for your projects.

PATENTED DESIGN RESISTS SWEATING

- Thermal barrier reduces heat transfer
- Low heat transfer lowers potential to sweat

MORE ENERGY EFFICIENT

- Most energy efficient iron door on the market
- Potential savings on your energy bill.

MADE IN THE USA

- U.S. Quality Steel
- No Bondo or body fillers
- Quick delivery on custom doors

HANDLESETS

Providing safety and security, our assortment of knobs, bolts, and latches will add style to your castle entry door. You select the finish and the handle that fits your style.
